

Ancient Studies

You will explore ancient civilizations such as Rome and Egypt, and discover how the seeds of our future were sown in the past. This involves deep analysis of past events and civilizations to create a picture of a world that was very different to our own – yet in some ways all too similar.

Northern Adelaide Senior College

PREREQUISITES:

- SUCCESSFUL COMPLETION OF STAGE I ANCIENT STUDIES OR ANOTHER STAGE I HUMANITIES SUBJECT.

WHAT WILL YOU LEARN?

1. Learn about the rise of Rome, and those who fought against it.
2. Discover how daily life has changed in thousands of years – and how it hasn't!
3. Find out what happens when leaders try to change their society – and why they succeed or fail.

Assessment Overview		
Stage 1	75% - Skills & Applications Tasks 25% - Inquiry	Students complete assessments through research inquiries, source analyses, essays, role-plays, debates, and written, oral, or multimodal presentations.
Stage 2	50% - Skills & Applications Tasks 20% - Connections Tasks 30% - Historical Inquiry	Students complete assessments through supervised skills tasks, comparative connections studies, an independent research inquiry, and written, oral, or multimodal presentations.
