

Learning Support - Maths

Learning Support Maths is a supported maths class for students with additional learning needs. It is designed for students to complete their compulsory 10 SACE Numeracy credits over the course of a full school year in a small class environment with SSO support.

Northern Adelaide Senior College

PREREQUISITES:

- ELIGIBILITY FOR THIS CLASS IS DETERMINED BY THE INCLUSIVE EDUCATION LEADER.

WHAT WILL YOU LEARN?

1. Build confidence in fundamental number operations, measurement, and fractions through step-by-step guidance.
2. Develop practical skills in managing money, creating personal budgets, and completing financial tasks.
3. Learn to gather, interpret, and research data in a quiet, supportive small-class environment.
