Learning Together playgroups are facilitated by trained early childhood educators.

Our focus is on respectful relationships, wellbeing and learning together.

We know that interactions and connection between parents/carers and their children are crucial to the child's development. Therefore, we encourage and support these connections & interactions at our playgroups.

We also provide opportunities for children to develop in the areas of

- Literacy & numeracy
- Oral language
- Dispositions for learning

****NEW – Early Years SA app****

Introducing the Early Years SA app – your go-to for trustworthy information about child health, learning, development and wellbeing.

Using the Early Years SA app you can:

- Record your child’s growth.
- Filter information to what you need based on your child’s age.
- ➔ Enable notifications to get reminders about development checks.

The Early Years SA app makes tracking your child’s growth, understanding their development, and keeping up with timelines for checks easy.

Download the app via the App Store or Google Play Store and parent like you know it.
