

DayMap Parent Portal

Accessing the Parent Portal

The DayMap Parent Portal – DayMap Connect is now available for parents and caregivers from Northern Adelaide Senior College.

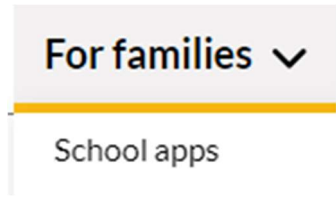

The site <http://northernadelaidesc.daymap.net/daymapconnect> is linked from the school website under For Families>School App.

You will be able to access DayMap Connect with an email address you have registered with the school and the student’s ID Number.

First Login

The first time you use DayMap Connect visit the site and select “Forgot your password?” (see right)

Then enter the email address you have registered with the school and your student’s six digit ID number. (On student ID cards and timetables)

Reset Password

You will then receive an email with your Username (which is your parent code of 4 letters and 2 numbers eg FOLL23) and a link to reset the password.

If you have more than one student at NASC you will have separate accounts for each child.

Retuning Visits

When you return to DayMap Connect you will log in with the parent code and new password.

If you need to reset your password at any stage the “Forgot your password?” link is available.

Parent Page

1. DayMap Connect gives you access to information about your student, messages from the school, a school calendar and details of your parent account.

2. From the messages tab you will be able to see messages sent to you and send messages to your students' teacher. To message the teacher click "new message" and type the teachers name. You can then use it as you would email or text messages.

3. The My Account page shows your registered details. If any of these are incorrect please contact the school.

Student Page

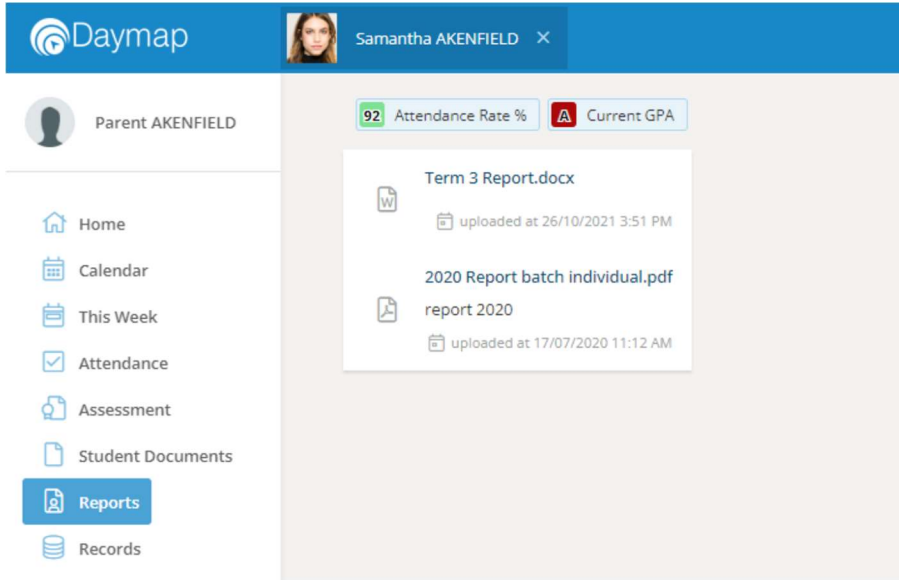

4. Selecting your student’s name on your home page will take you to the student profile.

5. The “This week” page shows the student timetable including both approved and unapproved absences. If there are reasons for the unapproved absences you can contact the school on 7285 1600 or directly message the class teacher. If you believe that the roll has been marked in error you can contact us as well.

6. The Assessment tab shows tasks for all student subjects, including due dates and Results.

Selecting Current on the Assessment tab will show any tasks currently in progress.

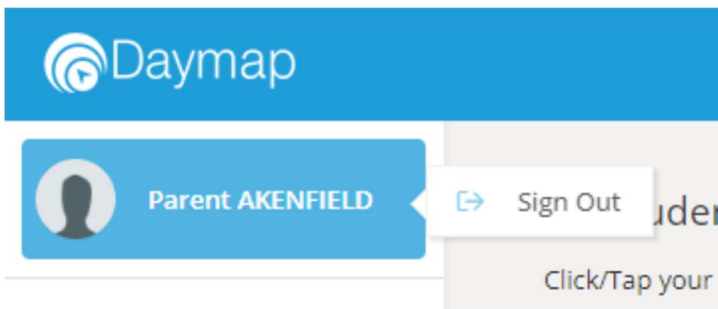

7. The progress page will include the NASC mid-term student snapshots to help you determine if your students are “On Track” or not.

8. On the last day of each term Reports are published to the reports tab. Here you can see details of student progress against SACE requirements on an A-E scale. Some student records and documents are also viewable via DayMap Connect.
